

On behalf of the Invitrx Team,
We want to express our gratitude for your presence at our Regenerative Medicine Conference.
In order to make next years conference even more successful we requesting our attendees to provide any feedback, comments or concerns regarding the conference.

We hope that you found the conference informative and worthwhile. The primary goal of this conference was to bring together global leaders and Medical professionals as well as friends and partners from around the world in an open dialogue, to educate and discuss of what we know to be the future of medicine.

We believe that our diverse and dynamic group of speakers provided in-depth insight, as well as, actionable and practical tools of engagement that have worked for us in the U.S. and in other countries. In addition to sharing how to become more effective in the on-going development efforts in key areas such as: healthcare, partnership, regulations, education and outreach.

Your presence helped to make this event a great success and your enthusiasm and positive spirit helped make our time together both productive and fun. We wish you all the best and hope that you continue to be engaged with Invitrx Therapeutics. Stay tuned for upcoming events. If you wish to view the upcoming video from the event please visit our website InvitRx.com in November.

Mark your calendars & Save the date for our next upcoming Annual Conference in Newport Beach on **October 12-14, 2018!**
Please express your interest in advance so that we can provide you with updates on the details of this exciting event.

*Thank You,
